Dave Garrett

(Project Pain Reliever: A Just-In-Time Field Guide) By Garrett, Dave (Author) paperback on (11 , 2011) Dave Garrett

This is an insightful, easy-access guide to the most common project management problems for new and accidental project managers. "Project Pain Reliever" is a unique book designed to satisfy the needs of new project managers [- and accidental project managers] that exist in many professions and industries where their position requires that they manage projects as a temporary role but not a profession. Designed for quick and easy access, it covers both the art and science of project management, and provides peer-reviewed solutions for some of the most common project management problems.
